I do not intend to participate in a summer league during the summer of 2007. If I later change my mind, I understand that **I am required** to notify my coaches and Emily Haynam, Assistant Director of Athletics/Compliance Officer/Senior Woman Administrator, **prior to** participation in the league.

By signing below, I am confirming my understanding that:

- I cannot compete in a summer league until my participation has been approved by the Office of Compliance;
- I may participate on only one team in one league during the summer;
- I may only compete in a summer league that is approved by the NCAA, and that is within 100 air miles of SPC or my official residence at the end of the academic year;
- Any summer league competition in which I participate may take place only between **June 15 and August 31, 2008**, including any postseason play-offs or tournaments associated with the summer league;
- I may not accept payment for participation in this, or any, summer league;
- NCAA rules regarding extra benefits apply to the summer as well as the academic year, and
- If I violate any of these rules I will become ineligible to compete for SPC.
